LINCOLN ELECTED CHAIR OF SOUTH FLORIDA REGIONAL PLANNING COUNCIL

MONROE COUNTY, FL - Monroe County Mayor Pro Tem Michelle Lincoln was elected the chair of the South Florida Regional Planning Council at today's meeting held at the Murray Nelson Government Center in Key Largo. Commissioner Craig Cates is also a council member. Mayor Jim Scholl and Commissioner Holly Merrill Raschein welcomed the group at today's meeting. In addition to the regular meeting agenda, Monroe County Chief Resilience Officer Rhonda Haag and Monroe County Artificial Reefs Director Hanna Koch presented updates on their respective departments.

"I feel very comfortable turning over my chair to Michelle," said Steve Geller, outgoing chair from Broward County. "She has shown her leadership in many ways throughout South Florida and the State."

Lincoln said she looks forward to continuing to support the council's mission to make communities in South Florida more resilient and safer. "As always, I am excited that Monroe County continues to have an important seat at this table," she said.

The South Florida Regional Planning Council's mission is to provide state and local policymakers with the information they need to build a better future for South Floridians. The council encompasses Broward County, Miami-Dade County, and Monroe County, and all of their municipalities.

AN AFFORDABLE HEALTHCARE PLAN FOR BUSINESSES THROUGHOUT THE KEYS

**HEALTHY EMPLOYEES ARE MORE PRODUCTIVE, USE LESS SICK DAYS, AND
HAVE HIGHER WORK SATISFACTION**

Businesses can choose to enroll their employees with KEYSKARES HEALTHCARE PLAN as a benefit for their workforce. KeysKares waves restrictions on entrance and exit from the plan so employers can simply identify employees as members monthly. KeysKares can serve as an alternative form of healthcare coverage for employees of small businesses. For a low monthly fee, \$80 per month or \$2.67 per day, employees can have access to high quality healthcare at anyone of our three locations. Key Largo, Marathon, or Key West. A KeysKares Membership represents a small investment that provides a meaningful contribution to the employee's health and well-being.

**OUR KEYSKARES PLAN INCLUDES A NUMBER
OF SELECT BENEFITS AT NO CHARGE!!!**

Unlimited office visits

No-copays.

On site diagnostics, CT, Digital X-ray, MRI, and Ultrasound (discounted for members)

Three convenient locations:

Key West / Key Largo / Marathon

No long-term contracts, no waiting period to be seen at our urgent care centers..

Advanced Urgent Care (AUC) understands how challenging it is to recruit and retain quality employees. Your compensation struggles to compete with big business-like Amazon, currently offering anytime pay, shift flexibility, and free training, McDonalds, Starbucks, Publix, and Walmart all offering incentives like; sign-on bonuses, continuing education, and paid time off. Quality Healthcare is a secret weapon: you can offer excellent medical benefits to recruit, retain and incentivize employees.

One trip to the ER can easily go beyond \$2,000 and that is BEFORE any procedures.

For just this reason, KeysKares can be a huge incentive to join your team.

To learn more about our program, feel free to reach out directly to Cindy Miller,

KeysKares Membership Coordinator at (786) 463.6237

or visit the web site at: www.UrgentCareFloridaKeys.com

Mile Markers – What's the Deal?

US 1 is used to travel the islands of the Florida Keys.
 Location: along the highway are expressed by Mile Marker numbers.
 The **ZERO Mile Marker** is found in Key West. Mile Marker numbers continue to increase until the pass through the Monroe County line at **Mile Marker 112**, north of Key Largo. Look for small green signs with white numbers posted at each mile along US 1 (these used to be the original mile posts installed along the old railroad bed).

Special note: Mile marker references are commonly used in local addresses. When there is a B or O this denotes either Bayside (north-Gulf of Mexico side) or Oceanside (south-Atlantic Ocean side) location.

THINGS TO PONDER!

I was thinking about old age and decided that old age is when you still have something on the ball, but you are just too tired to bounce it.

When people see a cat's litter box they always say, "Oh, have you got a cat" I just say, "No, it's for company!"

Employment application blanks always ask who is to be called in case of an emergency. I think you should write, "An ambulance."

The older you get the tougher it is to lose weight because by then your body and your fat have gotten to be really good friends.

The easiest way to find something lost around the house is to buy a replacement.

Have you ever noticed: The Roman Numerals for forty (40) are XL.

The sole purpose of a child's middle name is so he knows when he's really in trouble.

Did you ever notice that when you put the 2 words "The" and "IRS" together it spells "Theirs"

Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it. Some people try to turn back their "odometers." Not me. I want people to know why I look this way. I've traveled a long way and a lot of the roads were not paved.

Ah! Being young is beautiful but being old is comfortable.

Lord, keep your arm around my shoulder and your hand over my mouth.

May you always have: Love to share, Cash to spare, Tires with air,

Business Cents.

If you own a business, it only makes sense to talk to the professionals at

CELEBRATING 37 YEARS!

* 41* FEB. 2025

TimeOutMagazine.com

From the Nurse's Corner

by Stephanie Irwin R.N.

February is American Heart Month

A time to raise awareness and learn how to prevent heart disease

In 1964, President Lyndon B. Johnson issued the first proclamation declaring February American Heart Month. Each year, this is a time to spotlight heart disease, by bringing awareness and sharing how to take steps to prevent this deadly disease.

According to the American Heart Association, heart disease is a leading cause of death in the United States for both men and women. They also offer tips on actions you can take to prevent heart disease

Know your risk. Knowing your risk can help you make lifestyle changes.

Eat a healthy diet. Start making healthy choices that include daily vegetables and less processed foods.

Be physically active. Move more – it's one of the best ways to stay healthy, prevent disease, and age well. Use it or lose it!!

Watch your weight. Stay at a healthy weight for you.

Have yearly physicals. Check your blood pressure and cholesterol. These are two main risk factors that could lead to heart disease.

Raising awareness is essential, not only in the month of February but also year-round. It's the awareness that can ultimately save a life and on the first Friday of February, the nation celebrates National Wear Red Day to bring greater attention to heart disease as a leading cause of death for Americans.

What's the goal? To reduce the

number of deaths from heart disease and stroke.

About 702,880 people died from heart disease in the United States in 2022, which is about 1 in every 5 deaths. Heart disease is the leading cause of death for men, women, and people of most racial and ethnic groups.

Here are some other facts about heart disease in the United States:

Heart attacks About 1.2 million Americans have a first or recurrent heart attack each year, and about 1 in 3 of these people die.

Coronary heart disease Coronary heart disease (CHD) is the most common type of heart disease, killing approximately 375,476 people annually.

Cost Heart disease cost about \$252.2 billion from 2019 to 2020, which includes the cost of health care services, medicines, and lost productivity due to death.

Age-adjusted death rate The age-adjusted heart disease death rate decreased from 182.8 per 100,000 in 2009 to 161.5 in 2019.

Other causes of death Heart disease kills roughly the same number of people in the United States each year as cancer, lower respiratory diseases (including pneumonia), and accidents combined.

From all the us here at The Time Out Magazine, The Nurse's Corner, have a fabulous heart healthy month of February. Be well. God Bless.
